

A TASTEFUL PLACE  
AT THE DALLAS ARBORETUM

## RECIPE

Hero Vegetable: **Yellow Bell Peppers**

**Sweet Summer Gazpacho**

**Ingredients:**

4 yellow bell peppers, cored and roughly chopped  
1 small pineapple, skin removed and cubed  
2 cucumber, roughly chopped  
½ an onion, roughly chopped  
2 roma tomatoes, roughly chopped  
1 garlic clove  
1 cup water or citrus juice  
1 Tbs honey  
salt to taste  
sherry(optional)

**Directions:**

Place all the ingredients in a food processor or blender. Because of the amounts, you will probably have to do this in batches, pour each batch into a large bowl or container and stir. Refrigerate for an hour or two so the flavors come together. Ladle the gazpacho into bowls. Drizzle lightly with sherry.
