

DALLAS ARBORETUM
AND BOTANICAL GARDEN

Dallas Arboretum *Name A Day* Program

1. What are the benefits of the *Name A Day* Program?

- The honoree will be recognized with a sign at each of the two or three Dallas Arboretum entrances (in January and February, the Children's Garden is closed) on their special day.
- The donor will receive a number of admission with parking passes valid only for the day chosen—to share with family, friends or business associates. Additional tickets can be purchased for a nominal fee. They will also receive opportunity cards offering 50% admission on that day for a maximum of 25 people.

2. Who determines the actual date selection and must the date be approved?

- The donor may select a date of their choosing. In order to ensure that it is an exclusive date, the development department must give approval.

3. Can anyone participate?

- The Dallas Arboretum welcomes all individuals, organizations and corporations to participate in the *Name A Day* Program. No logos or mention of the donor will be made on the signage, if not the one for whom the day is named. It will be noted on the commemorative card the honoree receives, however.

4. What types of events might be commemorated?

- *Name A Day* is a perfect opportunity to remember an important time like anniversaries, birthdays or graduations. It is a unique way to remember loved ones. Non-profits can also be honored for their work by the donor. A beautiful commemorative card will tell the recipient about your gift.

5. How does this program impact the budget of the Arboretum?

- All donations given in support of the *Name A Day* Program will contribute to the garden's vital programs in horticulture, botanical science and education.

6. Where can I get more information?

- Contact the Development Office at 214-515-6612 or development@dallasarboretum.org.
