

DALLAS ARBORETUM
AND BOTANICAL GARDEN

RMCAg Plan Your Visit – Know Before You Go

The Rory Meyers Children’s Adventure Garden is open to the public. We are excited to welcome you back to the garden and hope that you will enjoy the learning opportunities and discoveries the garden provides. Our top priority is the health and safety of our guests and employees, and we have put numerous safety protocols in place. We ask that you observe our new temporary guidelines.

- General admission tickets and parking must be pre-purchased online or by calling Customer Service at 214-515-6615 between 9am–5pm. Members with Children’s Adventure Garden access will still get in free but are also required to reserve timed tickets. These tickets are for four-hour visits.
 - Because of limits on the number of guests at one time, early arrivals will not be granted early admission. Similarly, late arrivals will be required to exit the garden at the end of the four-hour block. If you do arrive early we ask that you wait in the safety of your vehicle.
 - At each ticket window we will distribute wristbands indicating which four-hour block you have purchased. Wristbands must be worn for the duration of your visit.
 - If you have a gift certificate or other promotional ticket you must call the office number above to reserve your timed ticket.
 - Maps of the modified path will be given to each guest at the Butterfly Gates upon arrival. “No touch” digital maps will also available via QR code.
- All guests 5 years of age and older are required to wear a face covering for the duration of their visit, except while dining or if medically unable to do so.
- At this time, all guests with children under age 5 are required to sign a release form before entering the Children’s Adventure Garden. These will be provided at the Butterfly Gates upon entry.
- Non-latex, disposable gloves will be available at the Butterfly Gates for all children, but not required.
- Groups are limited to no more than ten people. Please be patient and maintain a six-foot distance from individuals outside of your party.
- We have created a modified path around the garden to make it easier for you to enjoy our beautiful grounds while social distancing. Please observe all directional signage. There are opportunities for two-way paths to help guests quickly reach restrooms or the exit of the garden.
- A limited number of exhibits are modified to accommodate social distancing or reduce shared touch items. However, all galleries and learning spaces are open at this time.
- Drinking fountains at the Exploration Center will be operational.
- Restrooms are available outside the entry plaza and the Exploration Center. All will be limited to 50% of their capacity. Please wait patiently on the ground markings in place near each restroom. You may take your children in with you. Masks are required as the restrooms are indoors. We have increased our cleaning of restrooms.
- Outdoor programming will occur daily. Guided learning experiences will not have shared manipulatives at this time and are modified to encourage distancing between educators and guests.
- Failure to comply with the rules may result in your removal from the premises. Please note that you are visiting the Dallas Arboretum at your own risk.
