**Holiday at the Arboretum, Presented by Reliant, Features Expanded Christmas Village with New 23-Foot-Tall German Christmas Pyramid and New Shops**

*Open Every Night Starting November 27, Garden Includes One Million Lights*

**DALLAS, Winter 2020** – The [Dallas Arboretum and Botanical Garden](#) invites visitors to experience one of the most magical traditions in the Southwest—[Holiday at the Arboretum](#), presented by [Reliant](#), which runs from November 7 to December 31. Two large-scale exhibits are featured: the classic 12 Days of Christmas depicting each day in the beloved carol with 25-foot tall elaborately decorated Victorian-style gazebos; and the return and expansion of The Pauline and Austin Neuhoff Christmas Village highlighting 14 old world European-style shops in a magical setting. New this year in The Christmas Village are a 23-foot-tall German-built authentic Christmas Pyramid that includes beautiful lighted motion on every level, an Edelweiss Haus for delicious food and drinks, a Chocolate Shop and a Toy Shop.

The Arboretum is open daily from 9 a.m. to 5 p.m. and opens for extended hours for The 12 Days of Christmas at Night and The Christmas Village every night starting November 27. Timed tickets are required and can be purchased online at [www.dallasarboretum.org](http://www.dallasarboretum.org) or by calling 214-515-6615. No walk-ups are available for purchase.

Alan Walne, Dallas Arboretum board chairman, said, “We welcome everyone to see two major exhibits in our garden with room to spread out. The 12 Days of Christmas is a holiday tradition, whether you see it during the day or nighttime. Be sure to take photos at the 30-foot-tall spruce tree, and check out the expanded Christmas Village to admire the handcrafted Christmas Pyramid, a true work of art created by Germans for us Texans. Bring your children or grandchildren to take photos with Santa Claus, who is practicing social distancing, and make us part of your holiday traditions. A special thanks to Reliant for their continued support.”

Andrea Russell, vice president and general manager, Reliant , added, “At Reliant, we love sharing the joy of the holidays with our family, friends and customers. Regardless of the distance between us this year, let’s join together and celebrate the season at Holiday at the Arboretum, presented by Reliant.”

### **The 12 Days of Christmas**

Stroll the garden, and continue to enjoy the Victorian-style gazebos that represent each of The 12 Days of Christmas based on the beloved carol. The gazebos come to life at night, beginning November 11, every Wednesday through Sunday evenings from 6-9 p.m. until Thanksgiving. After Thanksgiving, beginning Friday, November 27, the garden reopens to extended hours every night until December 30. Sunday through Wednesday evenings, the Arboretum is open from 6-9 p.m. and Thursday through Saturday nights, 6-10 p.m. to enjoy more than a million lights throughout the Arboretum, trimming the historic homes and our 30-foot-tall spruce tree in the center of the garden.

### **The Christmas Village**

Inspired by European Christmas Markets, or Christkindlmarket, The Christmas Village is comprised of charming shops and façades representing a quaint European hamlet. In total, 12 delightful shops and façades debuted in 2019 and more will be added this year.

New this year is the handcrafted German-built Christmas pyramid, which measures 23-foot-tall and is decorated with hand-carved elements and beautiful lighted motion on every level. The Christmas Pyramid is the perfect complement to the Christmas Village and is the signature element in Pyramid Square along with three new shops including an Edelweiss Haus with food and drink, a Chocolate Shop and a Toy Shop. Known for their beautiful handiwork and woodwork, German artisans from the Erzgebirge region (Ore mountains) created the octagon-shaped Christmas Pyramid. Carving each figure by hand, 15 workers spent 2,150 hours to design and build this handmade, one-of-a-kind pyramid. Each of the four levels spins and is illuminated by four candles.

Measuring 16 to 19 feet tall, each house or shop is themed and large enough so that several children and adults can enter at a time and experience that particular business. During the day, children can learn from the portrayals of the shops’ interiors on its muralled walls, have fun and explore these shops as they would a playhouse. At night, The Christmas Village shines with a holiday glow of lights strung throughout the trees and outlining the roof of each shop.

The Christmas Village is a generous donation from Pauline and Austin Neuhoff as a gift to the city and the Dallas Arboretum. The Marilyn and Ben Weber Family Christmas Pyramid is also a generous contribution this season.

### **Santa Claus**

Santa Claus has his own house and a sleigh for photo opportunities after The Christmas Village opens. On November 11, 18 and 25, he is in the garden. Starting on November 27, he is in his house in The Christmas Village for photos every night as well as Saturday and

Sunday afternoons. Check online for complete schedule. Social distancing guidelines are implemented to keep Santa and his guests safe.

### **Safety**

The Dallas Arboretum is limiting capacity based on city, county and state regulations. The garden follows all safety precautions in each structure including a safe environment for Santa visits and photos, as volunteers pass out samples, and social distanced markings throughout the Christmas Village and near the eateries and the Edelweiss Haus. Masks are required for the duration of a person's visit, and each house is limited to one family unit at a time.

For more information and a full listing of holiday events and activities, visit [www.dallasarboretum.org/holiday](http://www.dallasarboretum.org/holiday). Click [here](#) for the Holiday at the Arboretum press kit.

### **SCHEDULE/EVENT DATES:**
