

## Photography Scavenger Hunt

With your group, explore the Dallas Arboretum to find and photograph items from this list.

### Rules:

- All items must be found in the Main Garden.
- Each scavenger hunt item must be clearly visible in one picture.
- All group members must be visible in each picture. (Chaperone may take the photos.)
- All members of the group should be able to identify each item.
- If the clue asks for a name, the sign for the plant or a paper with the name written must be visible in the photo.
- Photos do not need to be taken in order. Everyone in the group should know which photo goes to each clue.
- Group members are allowed to ask for assistance from chaperones or look up hints on smart phones.
